Join us for Segel 2019!

Segel is a 9th grade experience that offers teens the opportunity to practice leadership skills in the wilderness that can be readily transferred back home. They'll learn how to operate effectively as a group and become a tightly bonded community.

Who is on the Bus?

The supervisors on the trip are:

- 1 CYJ Unit Head
- 1 Trip Director and 2 Campsite Managers
- 4 - 6 CYJ Counselors

What do we do at Camp?

Be Campers! Enjoy all the fun you've loved for years along with some special leadership opportunities. Plan Erev Kef (Fun Night!) for all of Camp to enjoy and lead Shabbat and Havdallah after returning from the trip. Also, plan and paint the Segel Mural for Camp to remember your special Segel year.

What skills will we learn?

We focus on two kinds of skills:

Hard skills

- Setting up a campsite
- Cooking for a group
- Safety

Soft Skills
